

HAPPY NEW YEAR

***Een kijkje in de poppenkast. Horen, voelen, doen en ontdekken.***  
**A look behind the scenes of puppet theatre.**  
**Hearing, feeling and exploring**

A beautifully designed, interactive and educational presentation with puppet theatre figures, accompanied by Dutch and English documents, and a website for the blind and partially-sighted.

Under the slogan 'Touching is a Must', I am pleased to inform you about an educational puppet theatre heritage project in a museum setting for the visually impaired and their sighted companions.

This travelling exhibition, with a selection of puppets, figures and objects from our highly diverse museum collection, can be seen in the Dutch Puppetry Museum and on several other locations until the end of 2019. We hope to welcome and meet many visitors of all ages.

Kind regards,

Otto van der Mieden
